You are cordially invited to the Fall Open House of the Hitachi Center for Technology and International Affairs (HCTIA)!

Come learn about the exciting initiatives supported by the Center, and see how you can get involved. These initiatives include:

- Student research funding
- Speaker series
- Student activities
- Courses at Fletcher
- Relationship with the Hitachi Research Institute
- And much more!

Japanese refreshments will be served.

Contact info for questions/comments: ashirul.amin@tufts.edu

**About the Hitachi Center:**

The Hitachi Center was founded in 1990, with a generous endowment gift from Hitachi, Ltd., and is housed at the Fletcher School at Tufts University. Its mission is to sponsor advanced research and instruction, demonstrate intellectual and professional leadership, and encourage and facilitate a global exchange of ideas on the management of innovation and technological change and the advancement of economic and financial integration.

Over the years, the Hitachi Center has helped to promote Fletcher’s mission of teaching, research, and service through its support and promotion of internships, research on important issues of global technology management, international finance, and international economic integration, conferences bringing together scholars and policy-makers, and other educational activities.
