<b>Thesis Period for Midyears</b>		
November 13, 2018 – January 14, 2019		
This period is designed to offer the Midyear Class of 2018 the opportunity to finalize their thesis paper and prepare to defend during the January 2019 Midyear International Residency. The defense can be completed in person or over Skype during the designated thesis days during the international midyear residency session. GMAP will cover three days/two nights of room and board during the January 2019 international residency for those of the Midyear Class of 2018 who choose to defend their thesis during this time.
